

BUOYANCY COMPENSATOR

J800-1000D

₹ 19,500

This is a traditional Jacket style BCD which provides all the basic requirements a diver needs at a much affordable cost. It is comfortable, easy to use while durability and reliability is not sacrificed in the process. The tough 1000D cordura shell can withstand rigorous usage and the power Inflator and pull dump assembly is tried and tested.

BP-1 Back Pack

- Back pack with 2" (5cm) webbing harness and 304 grade stainless buckles

₹ 3,730

REGULATOR

R860 New flagship diaphragm regulator

- This latest regulator from IST is not only feature-packed and capable of handling a high work load, it can also be used in both warm and cold water conditions.
- CE certified.

₹ 17,500

DIMAND VALVE

O-60 ADJUSTABLE OCTOPUS ₹ 8,500

- Ease of breathing is achieved by a purposely shaped housing interior, which is designed to create a pressure drop in the area just before the mouthpiece. This means air gets pulled towards the diver's mouth directly after leaving the valve.
- The pre-dive / dive switch next to the adjustment knob prevents the valve from free-flowing while on the surface.
- The second stage comes with our high-spec, large bore intermediate pressure hose (max. service pressure @ 34.5 BAR / 500psi) which flows sufficient breathing air even when the demand is heavy.

O-10 ADJUSTABLE OCTOPUS ₹ 7,000

- Lightweight pneumatically balanced design
- Special stainless steel rocker arm and dynamic adjustable valve create smooth air supply on demand
- Built-in heat exchanger
- Special designed adjustable vane can either direct air smoothly for effortless breathing or to deflect flow movement for gas conserving mode.
- Exhaust cover with curvature which directs bubbles away from field of vision
- Light purging action
- Neutrally buoyant, less jaw fatigue
- Comes with high quality 90cm (36") LP hose.

COLORS: BK ■ NY ■

O-20 NON-ADJUSTABLE OCTOPUS ₹ 6,500

- Same features as the O-10 but without the adjustable output knob
- Comes with high quality 90cm (36") LP hose.

COLORS: BK ■ NY ■

LP-OCTO (rubber) LP-OCTO/MF (braided)

- 90cm (36") – for recreational octopus
- Max. service pressure rated :
@17.2BAR / 250psi (rubber)
@86 BAR / 1250psi (braided)

₹ 1,100

GAUGES

GP-500

₹ 15,000

MINI TRIPLE GAUGE CONSOLE

- ❑ Mini pressure gauge and depth gauge console with the compass located on the reverse side
- ❑ Large compass with bezel and slide window for easy reading
- ❑ Maximum depth reading: 60m (200ft)
- ❑ Maximum pressure reading: 400bar (5700psi)
- ❑ Glow in the dark gauge faces
- ❑ Durable TPR boot
- ❑ Made in Italy
- ❑ CE approved

GP-600

₹ 12,000

MINI TRIPLE GAUGE CONSOLE

- ❑ Same features as GP-500 with a mini writing slate at the back instead of the compass.
- ❑ CE approved

GP-23

WRIST COMPASS

₹ 4,500

- ❑ Bezel with side window for easy reading
- ❑ Luminous face
- ❑ Durable boot with strap

GP-15

MINI SPG

₹ 7,085

- ❑ Super low profile, lightweight pressure gauge encased in durable TPR boot
- ❑ Luminous dial face
- ❑ Maximum pressure reading: 400bar (5700psi)
- ❑ Dial face Ø 5cm (2")
- ❑ CE approved

GP-9100**₹ 13,500****THREE GAUGE CONSOLE**

- ❑ Precision 3 gauge console – pressure gauge, depth gauge and compass
- ❑ Compass with bezel and slide window for easy reading in all positions
- ❑ Maximum depth rating: 70m (229ft)
- ❑ Maximum service pressure @ 350bar (5000psi)
- ❑ Glow in the dark luminescent gauge face
- ❑ Durable boot with convenient attachment loop
- ❑ CE approved

**GP-18****₹ 6,800****PRESSURE GAUGE**

- ❑ Maximum pressure 350 BAR (or 5000psi)
- ❑ Dial Ø: 4.2cm (1.6")
- ❑ Light weight construction
- ❑ Luminous face
- ❑ Protected in Stout TPR casing
- ❑ CE approved

**CT-2**

- ❑ Yoke tank pressure checker
- ❑ Oil filled gauge ensures accuracy and durability

₹ 5,500**YA-02**

- ❑ 1.5m long yoke to yoke tank equalizer hose with bleeder valve and pressure gauge
- ❑ Oil filled gauge ensures accuracy and durability

₹ 12,000**YK-04**

- ❑ DIN to yoke tank valve converter – for tanks with 200 BAR DIN outlet (G 5/8) only

₹ 550

WS-70 (3mm)

₹ 7,500

WS-705(5mm)

₹ 8,500

- Stylish diving jumpsuit in different thickness options.
- Made with comfort in mind, SUPER-STRETCH material is utilised in key areas to make the suit fits like a second skin, giving unrestricted range of motion.

SIZES	MEN'S	S, M, L, XL, XXL
-------	-------	------------------

S7

₹ 2,285

- Titanium and spandex lined boots.
- All boots double-glued and blind-stitched
- Excellent for cold water diving
- Vulcanized rubber sole
- Toe and heel caps for additional support and protection
- Built-in fin strap keeper
- No.10 ultra durable YKK zip

SIZES	#4 - #13
HEIGHT	20cm (8")

HDN0150 (5mm)

₹ 1,525

- Blind stitch and triple glued hood
- Smooth skin face seal restricts water movement
- The bib can be tucked under wetsuit collar to maintain warmth.
- Double-layered top panel with vent

SIZES S, M, L, XL, XXL

HD7 (5mm)

₹ 1,450

- Neo-skin lining retains more warmth than other conventional linings.
- Easily put on and take off.

SIZES S, M, L, XL

T100 HIGH POWER LED TORCH ₹ 18,400

With the same LED used in T101 but operates on 6 AA batteries.

CE approved.

DIMENSION:

13.5cm x 11cm x 7cm / 5.3" x 4.3" x 2.8" (incl. handle)

Bulb type	3 High Power LEDs
LED life	+10000 hours
Colour temp.	5500K
Brightness	450 Lumens
Burn time	+2.5 hours
Max. Depth	100m / 328ft
Weight (dry)	650g / 1.4lb (with battery)
Buoyancy	Negative
Battery type	6 alkaline AA batteries

T120 ₹ 9,000

MINISOL-10watt LED torch(rechargeable)

Bulb type	1 LED x 10 W (Cree)
Bulb life	10000+ hours
Colour temp.	6000K
Brightness	750 Lumens
Burn time	70 minutes
Charging time	12 hours (approx.)
Max. depth	100m (328ft)
Weight (dry)	277g (0.61lb)
Buoyancy	Negative
Battery type	Rechargeable lithium ion
Battery life	200 recharging cycles
Beam angle	35°
Dimension (L x Ø)	14.4cm x Ø4.7cm (5.7" x Ø1.9")

T101 RECHARGEABLE HIGH POWER LED TORCH

- Compact and sturdy, provides effective illumination for night diving or average exploration.
- Durable, attractive anodized aluminium alloy torch body.
- Comes with user-changeable photographic lens.
- Lantern handle with adequate clearance, even when using thick gloves.
- Switch lock prevents accidental activation.
- Twin O-ring waterproof seal.
- CE approved.

DIMENSION:

15cm x 11 cm x 7cm / 5.9" x 4.3" x 2.8" (incl. handle)

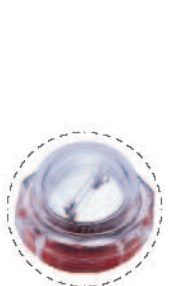

₹ 22,500

Bulb type	3 High Power LEDs
LED life	+10000 hours
Colour temp.	5500K
Brightness	880 Lumens
Burn time	+4.5 hours
Charging time	8 hours (approx.)
Max. Depth	100m / 328ft
Weight (dry)	620g / 1.8lb
Buoyancy	Negative
Battery type	Rechargeable NiMH (3.6V x7400 mAh)
Battery life	Up to 200 recharging cycles

LS3 DIVE STROBE

₹ 2,660

- Handy strobe with back up LED torch (3 LEDs).
- The strobe's flash is highly visible, even over long distance
- Operates on 3 AA batteries
- Max 24 hours of continuous (strobe) signalling ability.
- Waterproof to 40m

FK-30

OPEN HEEL SNORKELLING FINS - SPEEDY

- Open heel snorkelling fins.
- Comfortable foot pocket.
- Recommended to be worn with boots or neoprene socks.
- The blades are vented to guide water more efficiently.
